Welcome to NEPA Vascular Institute!

Our Center is staffed with a team of physicians, nurses, and therapists specializing in vascular care, hyperbaric medicine and advanced wound management. Our Center provides quality medical care that is easily accessible and responsive to you in your time of need.

We value you as a patient and will strive to provide you with exceptional medical care. Our comprehensive approach can promote healing, relieve pain, optimize your nutrition, and help improve your overall quality of life. As you progress through your treatment plan, we will keep you informed, ensuring that you understand the planned course of treatment and what is expected of you. Our team will also provide educational information to help you gain a greater understanding of your condition.

Please fill out the enclosed forms. During your initial visit, we will be reviewing your health status and these forms contain information necessary to complete this process.

Please let us know if there is anything we can do to make your experience at NEPA Vascular Institute more pleasant.

Thank you for choosing us as your provider.

Warmest Regards,

NEPA Vascular Institute Patient Care Team

NEPA VASCULAR INSTITUTE NO SHOW POLICY

Here at NEPA Vascular Institute, our number one priority is patient care. We would like to be available for our patients and be able to offer them appointments when they are needed and as fast as we can.

We do REQUIRE 24-hour notice for cancellations of ANY appointment. The reason for this is to be able to offer that appointment time to a patient who needs to be seen as we are able to see them faster.

PLEASE NOTE: There will be a $40.00 charge for ANY appointment that you are considered a "no-show" for.

A "no-show" is when you fail to present to the office for your scheduled appointment or you do not call 24 hours prior to your scheduled appointment to cancel or reschedule.

Our priority is you! Thank you for understanding!
